Agency Phone Number: 403-328-8186

Agency Description

The Lethbridge HIV Connection Society is a volunteer-based not-for-profit organization that provides leadership in building individual and community capacity to respond to and reduce the harm associated with HIV and Hepatitis C in Southwestern Alberta.

The agency's trained staff members offer free presentations and information sessions on HIV, Hepatitis C and Universal Precautions. They provide confidential counseling in a non-judgmental environment, engage in outreach throughout the area and host monthly client support events. The agency distributes up-to-date information on topics such as HIV, Hepatitis C, sexually transmitted infections, body art and choices for healthier living and safer sex through pamphlets and brochures, an information line, quarterly newsletters and its website, www.lethbridgehiv.com.
