Agency Description

Green Acres Foundation has nine lodge buildings. The lodge buildings are located in Lethbridge, Coaldale and Picture Butte. Lodges are designed to provide secure, affordable homes, a rich social atmosphere and independent living for seniors 65 years of age and older. Meals, housekeeping service and activities are included as part of the monthly fee for the seniors.

Our lodges provide residents with a home-like setting, where they can be active and feel valued, safe and independent. We offer an excellent living environment, complete with meals and housekeeping service. Residents have many opportunities to participate in leisure, recreation and social activities, and they can have a carefree lifestyle.

At Green Acres Foundation lodges, the emphasis is always on choice. A wide assortment of activities is available to all the residents. For residents who are interested, there are a range of social, physical, cultural and hobby activities.

How the community can help?

There are a number of facilities that would benefit and appreciate your volunteer hours. The residents of the facilities enjoy entertainment, learning new skills and listening to presentations. If you can sing, dance, perform, teach, play Wii, play pool, or have a great experience to share and enjoy working with seniors please contact the administration office at 403-328-1155. You may also view the Volunteer Lethbridge website where each of our facilities have specific volunteer opportunities listed.

Volunteer shifts are very flexible and you may volunteer as often or as little as you are able. Any volunteer time you can donate will be appreciated. We thank you for considering volunteering with the seniors who call our facilities home.
