Agency Name: Alberta Health Services – Chinook Regional Hospital & Lethbridge Community Health

Agency Phone Number: 403-388-6311

Agency Description

Alberta Health Services mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans. Volunteer Resources encourages teamwork between AHS employees, physicians and volunteers so that the best possible care can be provided to patients, clients, residents and families. Volunteer Resources ensures community members are involved in healthcare through approved volunteer programs and roles.

How the community can help?

We have numerous volunteer opportunities that run year round, e.g. art cart, artists rounds, entertainers, caring clowns, pet therapy, strolling performers, craft club, knit-at-home, spiritual care volunteers, indoor gardening, gardening in client's homes, community leisure volunteer, gift shop cashier, patient escort, volunteer visitors, beauty care, emergency, immunization clinic, workshop leader, diagnostic imaging, outpatient, renal dialysis, pre-admission clinic, sleep clinic, office assistant, toy tenders, ice water delivery, and ped pals. If you've been thinking about a health care career, wanting to gain valuable work experience, help someone in need, or make new friends, this could be the perfect opportunity to achieve your goals this fall.
