The Farmers' Market offers products that are made, baked or grown. that means you can find crafts, fresh fruit and vegetables, home made baking, art work, hand made clothing, and so much more!

The Farmers' Market at Exhibition Park is the largest of it's kind in Southern Alberta, and is rated as one of the top 10 best Farmers Markets in Alberta. Plus ... it's indoors so you don't have to worry about the weather!

Over 2000 people a day will visit the Saturday market. Starting in July, we offer Wednesday's Farmers' Market and in December we offer the Christmas Farmers' Market.

Lots to choose from, lots to see, lots of fun!
